SKILLS

- **Languages**: Python, Java, HTML, CSS
- **Technical Skills:** Computer Networks, Selenium IDE, Bug Reporting & Tracking using JIRA
- **Tools/Platforms**: JIRA, GitHub, VS Code, Eclipse, JUnit
- **Soft Skills**: Resilience, Problem Solving, Patience, Adaptability

PROJECTS

Community Garden Portal July 2025

- Developed full-stack website with authentication, task scheduling, and tracking using DSA.
- Implemented optimized backend with Node.js, MongoDB/MySQL.
- Designed scalable modules and interactive UI using React, Figma, Git, and Agile.
- Built role-based access control for admins and volunteers, boosting workflow accuracy.
- Improved database performance using indexing and optimized queries, reducing fetch time.

Process Visualization Tool Mar 2025

- Built a Java tool for interactive process workflow visualization.
- Implemented modular UI, node, and connection management for real-time workflow control.
- Enabled multiple node types with auto-cleanup to reduce errors and boost efficiency.
- Added drag-and-drop workflow editing, improving usability and interaction speed.
- Integrated real-time validation of node connections, reducing invalid workflow creation.

TRAINING

Summer Training-Mastering DSA | *Lovely Professional University* Jun 2025 - July 2025

- Developed strong problem-solving skills by implementing efficient algorithms.
- Enhanced ability to design and implement optimized solutions for real-world issues.
- Learned algorithm optimization techniques and time-space complexity analysis.
- Gained mastery in algorithm optimization, boost coding efficiency.

CERTIFICATES

- *ChatGPT-4 Prompt Engineering: ChatGPT, Generative AI & LLM* | *Infosys* August 2025
- Mastering-DSA | *Lovely Professional University* July 2025
- AI Tools Workshop | be10X June 2025

ACHIEVEMENTS

- Participated in BinaryBlitz Web Hackathon | *Lovely Professional University* March 2024
- Joined in BYTEBASH 36 Hours Long Hackathon | *Lovely Professional University* Oct 2023

EDUCATION

- **Lovely Professional University** — Punjab, India
  Bachelor of Technology - Computer Science and Engineering; CGPA: 6.46 — Aug 2023 - currently
- **Shahid Avanti Senior Secondary School** — Gondia, Maharashtra
  Intermediate – *PCMB; Percentage: 77* — June 2022 – Mar 2023
- **Gondia Public School** — Gondia, Maharashtra
  Matriculation; Percentage: 81 — Jun 2020 – Mar 2021
